

Digital Nomad Consulting Services

We offer comprehensive support for digital nomads, whether you're frequently on the move or looking to establish a base in a specific destination. Our services include:

Destination & Relocation Support

- Personalized guidance on choosing the best destination based on lifestyle, budget, and work needs
- Assistance with short-term and long-term accommodation options
- Recommendations for co-living and co-working spaces

Connectivity & Work Essentials

- Reliable WiFi and mobile network solutions
- Local SIM card and eSIM recommendations
- Best cafes and co-working spaces with strong internet access

Local Integration & Support

- Connections to local communities and expat networks
- Recommendations for transportation, banking, and essential services
- Partnerships with locals to help you acclimate smoothly

Visa & Legal Assistance

- Guidance on visa requirements and application processes
- Connections to trusted visa experts and legal professionals
- Ensuring all documentation is accurate and up to date

Consultation Call

- **Rate:** \$150 per session (Duration: 60 minutes)
- One-on-one personalized consultation to discuss your specific needs and travel plans
