

## ***Frequently Asked Questions (FAQ)***

### ***General Travel Questions***

*1. What documents do I need for international travel?*

*You will need a valid passport, and depending on your destination, a visa may be required. Some countries also require proof of vaccination or travel insurance. Always check the entry requirements for your destination well in advance.*

*2. How far in advance should I book my flight?*

*For the best fares and availability, we recommend booking international flights at least 3-6 months in advance. Last-minute bookings may result in higher prices and limited seating options.*

*3. What should I do if my passport is expiring soon?*

Most countries require that your passport be valid for at least six months beyond your planned return date. If your passport is expiring soon, we recommend renewing it before booking travel.

4. Are vaccinations required for travel?

Some destinations require vaccinations such as yellow fever, hepatitis, or COVID-19. Check with the **CDC** or **WHO** guidelines and consult your doctor for any recommended vaccinations before traveling.

### **Airfare & Booking Policies**

5. Can I request specific seating preferences on my flight?

Yes! When booking, please indicate whether you prefer an aisle, window, or extra legroom seat. While we do our best to accommodate requests, seat selection is subject to airline availability.

6. Can I make changes to my flight after booking?

Flight changes depend on the airline's policies and fare type. Some tickets allow free changes, while others may incur change fees. Contact us as soon as possible if you need to modify your booking.

7. Will I receive a confirmation after booking?

Yes, once your airfare is booked, you will receive a confirmation email with your itinerary and booking reference number. If you do not receive it within 24 hours, please reach out to us.

8. Are there additional fees for baggage?

Baggage fees vary by airline and ticket class. Some flights include free checked baggage, while others charge for carry-ons and checked bags. Always review baggage policies before departure to avoid extra costs.

### **Travel Insurance & Cancellations**

9. Do I need travel insurance?

Travel insurance is highly recommended to cover trip cancellations, medical emergencies, lost luggage, and other unexpected situations. We can provide coverage options upon request.

10. What happens if I need to cancel my trip?\*

Cancellation policies vary by airline, hotel, and tour provider. Refund eligibility depends on the fare rules and terms of your booking. We can assist with cancellation procedures if needed.

11. Does travel insurance cover COVID-19-related cancellations?\*
